### 6th and 7th Grade Summer Reading/Writing

As you relax this summer, try to find a book that can provide a bit of entertainment. Choosing a book you enjoy can often be a challenge. Don't settle for a flashy cover or a cool title. Take time to preview the synopsis or ask others for a suggestion. Once you find a book to enjoy, the rest will be easy.

For ELA, students should read and respond to a book you have chosen. After taking the time to read your text, students should summarize and respond. A quick summary followed by your critique of the chosen book will be collected when we return to school. Have fun reading!

### Grade 8 Summer Reading

Read one of the following books by Mitch Albom:

The Five People You Meet in Heaven

Have a Little Faith

Tuesdays With Morrie

For your chosen book, complete a short plot summary which will be collected when we return to school. Have fun reading!

See you in August!
