Summer Reading Challenge

Goal: Read 1,500 minutes this summer!

Each  represents 15 minutes. Every time you read for 15 minutes, check off one sun. When you check all of the suns, that means you have read for 1,500 minutes!

I read _____ minutes this summer!

My favorite book that I read:

Reading

A Guide for Parents

Dear Parents,

Your child has worked very hard this year! According to research,* students who do not read over the summer can lose as much as 22% of their reading level. That means 2 months of school, down the drain!

You can help prevent this summer reading loss by encouraging your child to read over the summer. Try to read something everyday, whether it's a book, recipe, or a menu. Every word counts.

Here's to making this a summer of reading!
