

Welcome To St. Joseph Before & After Care Program

Please note that our Before & After care club rooms are downstairs (down the hallway from the cafeteria). There are two rooms; one for the upper grades and one for younger grades. This has been done in part due to the number of students now utilizing the program. You must walk your child down to the club room in the morning and also pick them up from the club room. This ensures who is picking them up and proper sign-in/out.

Each student will be signed in and out through our software program called **Procare**. You will also receive your club invoices through this program via email. You will be receiving an email with your balance due. If you would like these invoices to go to a specific email, please let Mrs. Grenier know.
Email: jgrenier@sjsdanbury.org.

All payments will still be sent to the school via check or cash.

** We cannot accept credit cards or debit cards at this time.*

Pricing:

- *Before school club - \$10.00 per hour - Flat rate*
- *After school club - \$12.00 per hour - charged at 15 minute increments.*
 - **Any pickup after 5:30 pm will incur a \$25.00 late fee*

If your family plans to use the Before & After School program on a regular basis and you'd like to discuss a set weekly rate, please email Mrs. Grenier at JGrenier@sjsdanbury.org.

All families planning on using Before & After Club must complete the registration form using this link.
