

Saint Joseph Middle School

Grades 6, 7, & 8

Dear Parents,

We hope that this summer will be a time of rest and relaxation for you and your families. We know that when it is time to return for the 2022-2023 school year, the students will be ready to take on the challenges which lie ahead. Middle School is an important time for social, emotional, academic, and spiritual growth. The students will be switching classes and teachers for the various subjects. We will take steps together working towards a successful middle school experience in preparing for the future. With some hard work, the students will love the direction that this journey will take them.

Summer Reading and Math work has been assigned for students entering 6th, 7th, and 8th grades. All work should be completed by September 6, 2022.

Thank you in advance for your support. Have a safe and blessed summer.

Sincerely,

Mr. Bongiorno
